Take a Closer Look, February 9... Galena-Steamboat Community Fair!

At your Community.

Do you have questions or concerns about planning and/or developments in your neighborhood? Would you like more information on the planning process, local water issues, fire protection, parks and trails, or storm water management?

Join us for coffee and donuts to meet staff from Washoe County Water Resources, Regional Planning, Regional Transportation, Sierra Fire, Regional Animal Services, Emergency Response, Washoe County Community Development and more! This is your opportunity to ask your questions, one on one!

February 9, 2008
9 a.m. - Noon
Galena Highschool
Theater Foyer
3600 Butch Cassidy Way
Reno, Nevada 89511

For additional information, please contact Washoe County Community Development Department at (775) 328-3600.

Meet one on one, with community representatives and learn about...

- What plans guide development in my community? How does development impact traffic, schools, etc and how do we account for those impacts?
- What is regional planning?
- What developments are proposed in my area?
- How does the water system work?
- How are our regional roads developed?
- How do schools account for increases in student population?
- Are there any new schools planned for the area?
- What is happening at the Mt. Rose Ski Area and visitors center next to Galena Park?
- How do I prepare for fire season? and more!!!
